

Dear Student, Parents and Carers,

We were delighted to welcome you to The Corby Sixth Form Sixth Form community at our recent Discovery Day.

It was wonderful to see so many of you engaged and enthusiastic as you participated in the range of taster lessons we had prepared. The energy and curiosity you brought to each session was truly encouraging, and it gave our teaching staff a fantastic opportunity to share their passion for their subjects with you.

I hope you enjoyed the barbecue and ice cream; it was lovely to walk around and chat with some of you during the lunch break, and it was really pleasant to see so many of you getting to know one another in such a positive atmosphere. The feedback from both students and staff has been overwhelmingly positive, and it is clear that you're all excited about the adventure ahead.

As we look towards September, I know that GCSE results day is approaching, and I wanted to take this opportunity to wish you all the very best. Whatever your results, please remember that they represent just one step in your educational journey. As I mentioned throughout my assembly, we are here to support you as you move forward, and we are confident that each of you has the potential to thrive in our Sixth Form community.

Following this letter, our admissions team will be in touch with more detailed information about the enrolment process in August. If you are already considering any changes to your A Level options, I encourage you to wait until you have your GCSE results before confirming these changes, as this will help ensure you make the most informed decisions about your studies. However, for ease, please see our Option Blocks below to explore possible combinations of compatible subjects:
